

In June, we celebrate Father's Day on the third Sunday of the month. Be sure to give Dad a hug and let him know how special he is! Just think, who would open that pickle jar or take that scary spider out doors, if not for Dad? Who would have told you "when I was your age, we had to walk to school in three feet of snow, uphill, both ways!"? Who else would have asked regularly if you'd been raised in a barn, or if you wanted him to turn the car around? Those brave and considerate fathers deserve a big thank you this year on the 19th and every day!

On-Line Training - ENDS JULY 31st

» **Important!** Providers, please note that the Annual Training is *mandatory*. Failure to complete the training by July 31st will result in immediate *Serious Deficiency* status. Please complete your training today!

Go to www.cdanutrition.org and click on the *Training* tab at the top of the page to find the 2016 training.

» **Enrollments** left in "pending status" (meaning we have not yet received the child's signed enrollment) will now be deleted after 3 months. If you wish to claim the child after he/she has been withdrawn, you will need to call the office and request to re-activate the child's enrollment. After it is re-activated, it will show up in *pending status*. You will need to print that child's enrollment, have the parent sign and date it, and send it to the office in order to have it activated. Providers are notified of pending enrollments each month in the menu letters we send. **Reading your menu letters is important so you know which meals were disallowed and if you have any pending enrollments.**

Reminders

» **Tiering** time is coming up in July. If tiering applies to you, you will be receiving your *Tier Renewal Forms* with full instructions in the mail by the end of June. Please get all of your required documents for the tiering process organized so that you can complete and return them quickly. They are due in our office by **July 28th, 2016**.

Please be aware that these documents are *time sensitive*. Forms received after July will be processed in the month they are received; we are unable to process retroactively. If you have any questions concerning tiering, please call Cecy in the Nutrition office at 619-427-4922.

» **Annual Renewal** time is also here again. By regulation, enrollments must be renewed annually. We will be sending a letter with instructions if you claim on-line. If you claim using scanner forms, we will mail you the Annual Renewal Report form along with a letter of instructions. It is very important to follow the instructions. The Annual Renewals will be sent as follows.

If your last name starts with the letter:

A – F: Due July 15th (mailed out at the end of June)

G – L: Due Aug. 15th (mailed out at the end of July)

M – R: Due Sept. 15th (mailed out at the end of August)

S – Z: Due Oct. 15th (mailed out at the end of September)

It is important that your Annual Renewal Report is dated and submitted in the month that it is due, **not before or after that date**.

» **Family Child Care Institute** conference will be held in San Diego this year from July 6th - 9th at the Town and Country Resort in Mission Valley. Visit www.nafcc.org for more information on this event.
